

# Network Meeting with Service Providers and OWs on PrEP

05-06 April 2023, Kampong Cham

The National Center for HIV/AIDS, Dermatology and STD (NCHADS) with the financial support by DFAT through UNAIDS and technical assistance from EpiC-FHI360 is conducting an event in Kampong Cham province. The event is Network Meeting with Service Providers and Outreach Workers (OWs) on PrEP implementation which will be run in 2 days, 05-06 April 2023, with the objectives are: to update the status of PrEP implementation including challenges and solution, to share experiences on PrEP from good performance sites and to strengthen or improve PrEP services by preparing the corrective plan and cooperation with partners.

The participants of this meeting are PASP managers, PrEP providers and OWs from 4 provinces such as Phnom Penh, Battambang, Kampong Spue and Siem Reap around 70 participants with the organizers and facilitators from NCHADS and EpiC-FHI360. The fruitful discussion and result are

expected to get from this important meeting.

The meeting was started from a warm welcoming speech of **Dr. Seng Sopharun**, Deputy Director of Kampong Cham PHD, following by an informative remark by **Dr. Steve Wignall**, Representative of EpiC-FHI360, and honorably opening announcement by **Dr. Ngaub Bora**, Deputy Director of NCHADS.
