

Network Meeting with Service Providers and OWs on PrEP

April 19-20, 2023 | Kampong Spue Province.

The National Center for HIV/AIDS, Dermatology and STD (NCHADS) with the financial support by DFAT through UNAIDS and EpiC-FHI360 is conducting a Network Meeting with Service Providers and Outreach Workers (OWs) on PrEP implementation in Kampong Spue province. This meeting is going to be conducted in

full 2 days, 19-20 April 2023, with the objectives are: to update the status of PrEP implementation including challenges and solution, to share experiences on PrEP from good performance sites and to strengthen or improve PrEP services by preparing the corrective plan and cooperation with partners. The participants of this meeting are PASP managers, PrEP providers and OWs from 8

provinces such as Kandal, Takeo, Kampot, Preah Sihanouk, Banteay Meanchey, Kampong Cham, Kampong Chhnang and Pursat all around 70 participants with the organizers and facilitators from NCHADS and EpiC-FHI360. The fruitful discussion and result are expected to get from this important meeting.

The meeting was started from a warm welcoming speech of **Dr. Chin Keosovann**, Deputy Director of Kampong Cham PHD, following by an informative remark by **Dr. Steve Wignall**, Representative of EpiC-FHI360, attractive interest from **Mr. Ung Polin**, Representative from UNAIDS, and honorably opening announcement by **Dr. Ngauv Bora**, Deputy Director of NCHADS.
